SYSTEM CATALOG

OCTOBER 1, 2026

PHIBER Push-Button Systems are not available for direct-to-consumer retail purchase.

Only PHIBER ACCELERATED MANUAL SYSTEMS are available for retail purchase.

Contact your local PHIBER System Dealer or Installer for pricing or to schedule an installation.
PROFESSIONAL INSTALLATION IS CRITICAL FOR THE SAFETY AND INTEGRITY OF THE VESSEL'S WATER AND MECHANICAL SYSTEMS.

All information presented within this document should be considered proprietary.

US PATENTS PENDING

Full details on all things PHIBER,
including FLUSH-O-PEDIA, ABYC Standards, Flushing regulations by State, and more!

Copyright PHIBER SYSTEMS, LLC | October 2026

PHIBER OEM COMPONENTS

All PHIBER FWF Manifold components have undergone extensive reliability and durability testing. Only OEM PHIBER plumbing fittings should be used in a PHIBER System. They will be laser-etched with the PHIBER “P” logo. If there is no “P” etched into the metal, then the part should be considered counterfeit and not be used in any PHIBER System installation.

PHIBER Systems offer industry-first “push-button” freshwater injection and flushing for ANY systems that use raw water for their function.

The PHIBER System architecture is flexible and modular, allowing assemblage of “Kits” into “Systems” to meet unique configuration demands. This may include both “push-button” and “manual” (dock hose) freshwater maintenance methods.

PHIBER "ACCELERATED MANUAL"

OUTBOARD ENGINE FLUSHING SYSTEMS

SINGLE - MULTI ENGINE

SKU #	SYSTEM	DESCRIPTION	NOTES
AMF-1EPK	Single Outboard Engine Dock-Hose Flush	PHLUSH Kit	
AMF-2EPHPKX	Twin Outboard Engine Dock-Hose Flush	PHLUSH Kit, PHLOW Hub Kit with NPT Plug	
AMF-3EPHPK	Triple Outboard Engine Dock-Hose Flush	PHLUSH Kit, PHLOW Hub Kit	
AMF-4EPHPKW	Quad Outboard Engine Dock-Hose Flush	PHLUSH Kit, PHLOW Hub Kit with Wye	

SEQUENCER RETROFIT

SKU #	KIT	DESCRIPTION	NOTES
AMF-2EPHX	Twin Sequencer Retrofit	PHLOW Hub Kit with NPT Plug, Flushing Protocol Decal	
AMF-3EPH	Triple Sequencer Retrofit	PHLOW Hub Kit, Flushing Protocol Decal	
AMF-4EPHW	Quad Sequencer Retrofit	PHLOW Hub Kit with Wye, Flushing Protocol Decal	

ACCELERATED MANUAL SYSTEMS ARE AVAILABLE FOR DIRECT PURCHASE FROM BOTH THE PHIBER SYSTEMS WEBSITE AND AUTHORIZED DISTRIBUTORS.

SEE THE ACCESSORIES SECTION FOR ADDITIONAL OPTIONS TO SUPPLEMENT THE MANUAL SYSTEMS & SEQUENCER RETROFIT KITS.

PEACE OF MIND
FOR ALL YOUR VOYAGES AHEAD

Flush-o-Pedia
Flush-o-Pedia is a compilation of seawater science, chemistry, and all about freshwater maintenance for marine systems, including the philosophy and mechanics of raw water networks, freshwater systems, and the individual technologies used to create them.

PHIBER Training & Education
PHIBER Qualified Installer Training (St. Augustine, FL) introduces design, modification, and integration of PHIBER Systems into existing or new raw water networks.
